Sri ALUR HANUMANTHAPPA.—In the answer it is said that 322 persons are affected due to submerge and Rs. 250 has been given for their land. Is it not a very low sum and will the Government consider to enhance the amount as well as give a piece of land nearby these villages to those people?

† Sri M. N. NAGHNOOR.—Sir, we have received report from the Deputy Commissioner, Bangalore, that they have not represented and after such a lapse of time we cannot say the exact sum to be paid as compensation. So far, we have not received any representation for enhancing the compensation.

Sri J. B. MALLARADHYA.—Sir, all these awards were made by me, when I was in service and I have said that the compensation was too much. The Government itself went in appeal.

(Laughter)

Sri ALUR HANUMANTHAPPA.—Sir, Whatever may be the opinion of Mr. Mallaradhya, the raiyats have lost their land and have to go to some other place to rehabilitate themselves. Will the Government consider this difficulty and give them some more amount to enable them to rehabilitate themselves elsewhere? They must be given at least 300 to 400 acres of land near the forest area.

Sri M. N. NAGHNOOR.—Sir, according to the latest report available, no application was pending as regards releasing forest land for rehabilitating these persons.

Mr. SPEAKER.—Question time is over.
